GENERAL

Westbrook Hay School ("the School") is committed to ensuring the best possible environment for the children and young people in its care. Safeguarding and promoting the welfare of children and young people is our highest priority.

The School aims to recruit staff that share and understand our commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010.

All queries on the School's Application Form and recruitment process must be directed to the HR Officer.

An entry will be made on the Single Central Register for all current members of staff at the School, the proprietorial body and all individuals who work in regular contact with children including volunteers, supply staff and those employed as third parties.

The School is a Charitable Trust with a Board of Governors. The day to day management of the School is delegated to the Head Teacher.

All appropriate checks will be made in advance of appointment or as soon as practicable after appointment.

The purpose of this policy is to set out the minimum requirements of a recruitment process that aims to:

- ensure job opportunities are known about and published;
- attract the best possible applicants to vacancies;
- deter prospective applicants who are unsuitable for work with children or young people;
- identify and reject applicants who are unsuitable for work with children and young people;
- ensure those who are appointed have the necessary skills and competencies for the job;
- ensure selection is fair and objective at each stage.

SCOPE OF THIS POLICY

This policy has been written with regard to the Education (Independent Schools Standards) (England) Regulations 2014 and Keeping Children Safe in Education (KCSIE).

References to “**Staff**” throughout this policy relate to all members of employed staff, including teaching and support; governors; volunteers; peripatetic and contract; temporary; supply and agency; student placement, including those undertaking initial teacher training and apprentices.

However, there may be differences in the recruitment procedures for some of these categories of “staff” – see Policy on the Recruitment of Governors (Trustees) and Volunteers.

This policy ensures compliance with all relevant legislation, recommendations and guidance including statutory guidance.

CONTRACT WORKERS

In the case of agency or contract workers, the School will set out their safeguarding requirements in the contract between the organisation and the School and will obtain written confirmation from the agency or company that it has carried out the same checks that the School would otherwise perform on any individual working at the School (or who will be providing education on the School’s behalf, including through online delivery). The School conducts identity checks on agency and contract workers on arrival in School and, in the case of agency workers which includes supply staff, the School must be provided with a copy of the appropriate level of DBS check for such staff.

In respect of contractors, unchecked contractors will under no circumstances be allowed to work unsupervised in School. The School will determine the appropriate level of supervision depending on the circumstances.

TEACHING SUPPLY STAFF

The School will check with the relevant supply agency that the required checks have been carried out (identity, enhanced disclosures, right to work in the UK, barred list, prohibition, qualifications, overseas checks plus, those checks set out in KCSIE as ‘pre-employment’ checks. The Single Central Register shows these checks have been made and the School carries out its own identity check and has seen a copy of the disclosure (whether or not it discloses any information).

DISQUALIFICATION FROM MANAGEMENT

Certain individuals are automatically disqualified from acting in senior management positions within a charity. Whether an individual falls into the category of a senior management position is judged using the following criteria:

- A person who is accountable only to the governors and who carries overall responsibility for the day-to-day management and control of the charity. At Westbrook Hay School this would be the Head Teacher.
- A person who is accountable only to the Head Teacher or the governors, and who is responsible for the overall management and control of the charity's finances. At Westbrook Hay School this would be the Bursar.

Being disqualified means that a person can't take on, or stay in, a senior manager position – even on an interim basis, unless the Charity Commission has removed (or 'waived') the disqualification.

TUPE

Any staff who TUPE transfer into the School's staff will be required to undertake the statutory requirements with regard to safer recruitment checks.

If staff are transferred under TUPE (gap of three months or less and information complete) information will be passed to the new employer and a note made on the Single Central Register that details have been accepted under TUPE.

EQUAL OPPORTUNITIES

We are committed to being an equal opportunities employer and to ensure that all job applicants are treated fairly and are not subjected to unlawful discrimination. The School's Equal Opportunity Policy applies to all steps in the recruitment process and must be complied with at every stage.

Our policy is designed to ensure that current and potential employees are offered the same opportunities regardless of their race including colour, ethnic or national origin, religion or beliefs, gender or gender reassignment, age, sex, sexual orientation, marital status, being pregnant or on maternity leave, disability, or domestic circumstances, or any other characteristic unrelated to the performance of the job. We seek to ensure that no one suffers, either directly or indirectly, as a result of discrimination.

APPLICATION FORM

The School will only accept applications from candidates completing the relevant Application Form in full. CVs will not be accepted in substitution for completed Application Forms, but are permitted to be submitted alongside an Application Form. Internal applicants are required to complete an application form.

Applications made through means other than application form will not be considered unless a reasonable adjustment has been made to accommodate the needs of an applicant with a disability.

The School will make candidates aware that all posts in the School involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Candidates for employed posts will receive a Job Description and Person Specification for the role applied for.

Before interview checks will be made of previous employment history to ascertain satisfactory reasons for any gaps in employment. These checks will then be checked against references and any discrepancies discussed with the candidate. Internal references will be taken for internal applicants.

The successful applicant will be required to complete a Disclosure Form from the Disclosure and Barring Service (DBS) for the position and, where appropriate, a check of the Barred List will be undertaken. Any offer of employment will be conditional on obtaining such satisfactory checks. Additionally, successful applicants should be aware that they are required to notify the school immediately if there are any reasons why they should not be working with children. This includes any staff who are disqualified from childcare or registration.

The statutory guidance Disqualification under the Childcare Act 2006 and [The Childcare \(Disqualification\) Regulations 2009](#) apply to those providing early years childcare or later years childcare, including before school and after school clubs, to children who have not attained the age of 8 AND to those who are directly concerned in the management of that childcare.

The school takes its responsibility to safeguard children very seriously and any staff member and/or successful candidate who is aware of anything that may affect their suitability to work with children must notify the school immediately. This will include notification of any convictions, cautions, court orders, reprimands or warnings they may receive.

Staff and/or successful candidates who are disqualified from childcare or registration may apply to Ofsted for a waiver of disqualification. Such individuals may not be employed in the areas from which they are disqualified, or involved in the management of those settings, unless and until such waiver is confirmed. Please speak to the Bursar for more details.

PREVENT

The School has a legal duty under section 26 of the Counter-Terrorism and Security Act 2015 to have 'due regard to the need to prevent people from being drawn into terrorism'. This is known as The Prevent Duty. Schools are required to assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. Successful candidates will complete the EduCare online Prevent Duty training.

SUITABILITY TO WORK WITH CHILDREN

If the candidate is currently working with children, on either a paid or voluntary basis, the School will ask their current employer to complete a written reference which will include asking them about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether the candidate has been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure. Any information about past disciplinary action or substantiated allegations should be considered in the circumstances of the individual case.

If the candidate is not currently working with children but has done so in the past, the School will ask the previous employer about those issues. Where neither the current nor previous employment has involved working with children, the School will still ask the current employer about the candidate's suitability to work with children. Where the candidate has no previous employment history, the School may request character references which may include references from the candidate's school or university.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal by the School if they have been appointed, and a possible referral to the police and/or DBS.

INTERVIEW PROCESS

The School will shortlist applicants according to the relevance and applicability of their professional attributes and personal qualities to the role. At least two people will carry out the shortlisting exercise, who are safer recruitment trained, they will consider any inconsistencies, look for gaps in employment and reasons given for them, and explore all potential concerns.

Online searches will be conducted on all shortlisted applicants by the HR Officer, to identify any incidents or issues that are publicly available online. Searches will be contained to information which is 'publicly available online' and only relevant information shared with interviewers, so that they may explore further at interview. This step forms part of the school's wider safeguarding due diligence which aims to prevent and/or deter individuals who may be unsuitable to work with children from working in a school environment.

Shortlisted applicants will then be invited to attend a formal interview at which their relevant skills and experience will be discussed in more detail. The shortlisted applicants will be given adequate notice of their interview, including internal applicants, allowing reasonable time to prepare and give notice to their current employer.

Internal applicants will be asked if they wish colleagues to know about their application or if they wish for it to remain confidential.

Shortlisted candidates should be asked to complete a self-declaration form in relation to their criminal record or information that would make them unsuitable to work with children. Self-declaration is subject to Ministry of Justice guidance on the disclosure of criminal records. Applicants will be asked to sign a declaration confirming that the information they have provided is true. Where there is an electronic signature, the shortlisted candidate should physically sign a hard copy of the application at the point of interview.

The School will usually obtain references prior to interview. This allows any concerns raised to be explored further with the referee and can be taken up with the shortlisted candidate at interview.

All formal interviews will have a panel of at least two people chaired by the Head Teacher/Bursar or another designated senior member of staff. At least one person on the appointment panel will have undertaken safer recruitment training. The Chair of Governors should chair the panel for the Head Teacher's/Bursar's appointment. The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgement will be made by the Chair as to whether or not an interviewer should withdraw from the panel. Should the Chair have a conflict of interest, the Vice Chair shall decide whether the Chair should withdraw from the panel.

The interview will be conducted in person and the areas which it will explore will include suitability to work with children including, where appropriate, any

discussion of information shared by a candidate in their self-declaration form. In exceptional circumstances, interviews may be conducted via Zoom.

All candidates should be treated fairly and equitably including internal applicants having the same experience on interview day as external candidates. Where practicable internal candidates should be given reasonable time off from duties around their interview/s.

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.

The School requests that all candidates invited to interview also bring with them:

1. A current driving licence including a photograph or a passport and a birth certificate;
2. A utility bill or financial statement issued within the last three months showing the candidate's current name and address;
3. Where appropriate any documentation evidencing a change of name;
4. Where applicable, proof of entitlement to work and reside in the UK.

The documentation of any unsuccessful candidates will be destroyed.

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

Candidates with a disability who are invited to interview should inform the School of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

11. Where the successful candidate will be taking part in the management of the school, a check will be carried out under section 128 of the Independent Educational Provision in England (Prohibition on Participation in Management) Regulations 2014. This applies to all Governors, Senior Management Team and teaching heads of department; and
12. It is the School's practice that a successful candidate must complete a pre-employment health questionnaire. The information contained in the questionnaire will then be held by the School in strictest confidence and processed in accordance with the Recruitment Privacy Notice and Data Protection Policy. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, extra-curricular activities, and/or layout of the School.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.

REFERENCES

1. The School will seek the references referred to in section 5 above for shortlisted candidates (including internal applicants) and will approach previous employers for information to verify particular experience or qualifications, before interview. One of the references must be from the applicant's current or most recent employer. References must be received by a senior person with appropriate authority. If the candidate does not wish the School to take up references in advance of the interview, they should notify the School at the time of applying.
2. The School will ask all referees if the candidate is suitable to work with children and to provide facts of any substantiated safeguarding concerns or allegations that meet the harm threshold set out in Part 4 of the statutory guidance 'Keeping Children Safe in Education'. Substantiated allegations that meet the harm threshold should be included in references. Any repeated concerns or allegations which do not meet the harm threshold which have all been found to be false, unfounded, unsubstantiated, or malicious should not be included in any reference.

3. The School will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials. The School will verify all references. Where references are received electronically, the School will ensure they originate from a legitimate source.
4. The School will compare any information provided by the referee with that provided by the candidate on the Application Form. Any inconsistencies will be discussed with the candidate.

CRIMINAL RECORDS POLICY

The School will refer to the Department for Education ("DfE") document, 'Keeping Children Safe in Education' (KCSIE) and any amended version in carrying out the necessary required DBS checks.

The School complies with the provisions of the DBS Code of Practice, a copy of which may be obtained on request.

There are limited circumstances where the school will accept a check from another educational institution which are as follows:

This is where the new member of staff ("M") has worked in:

- (a) A school or a maintained school in England in a position which brought M regularly into contact with children or young persons;
- (b) A maintained school in England in a position to which M was appointed on or after May 2006 and which did not bring M regularly into contact with children or young persons; or
- (c) An institution within the further education sector in England or in a 16 to 19 Academy in a position which involved the provision of education or which brought M regularly into contact with children or young persons, during a period which ended not more than three months before M's appointment.

In these circumstances the school may apply for a disclosure but is not required to do so. A new, separate barred list check will be obtained.

DBS UPDATE SERVICE

Where an applicant subscribes to the DBS Update Service the applicant must provide the original DBS so that the School can ensure it is the correct DBS required (in most cases enhanced with child barred list) and give consent to the School to check there have not been changes since the issue of it. A barred list check will still be required where necessary.

IF DISCLOSURE IS DELAYED

A short period of work is allowed under controlled conditions, at the Head Teacher's discretion. However, if an 'enhanced disclosure' is delayed, the Head Teacher may allow the member of staff to commence work on a risk assessment:

- Without confirming the appointment;
- After a satisfactory check of the barred list if the person will be working in regulated activity and all other relevant checks (including any appropriate prohibition checks) having been completed satisfactorily;
- Provided that the DBS application has been made in advance;
- With appropriate safeguards taken (Supervised at all times supervision);
- Safeguards reviewed at least every two weeks by the Head Teacher/Bursar and member of staff;
- The person in question is informed what these safeguards are; and
- It is recommended, but is not a requirement, that a note is added to the single central register and evidence kept of the measures put in place.
- Risk assessment. The HR officer will conduct a risk assessment confirming the pre-checks are in place. This will be reviewed and approved by the Bursar and Head. A note will be placed on the single central register and a copy of the risk assessment saved in the individual's personnel file.

WITHDRAWING AN OFFER OF EMPLOYMENT

If, after careful consideration, it is decided to withdraw a provisional offer of employment the grounds of withdrawal must be very clear, e.g. due to unsatisfactory references, and the offer rescinded in writing. The decision must be made in conjunction with HR.

RETENTION, SECURITY OF RECORDS AND DATA PROTECTION OBLIGATIONS

The School will comply with its obligations regarding the retention and security of records in accordance with the DBS Code of Practice and its obligations under its Data Protection Policy.

Copies of DBS certificates will not be retained for longer than 6 months and will then be confidentially disposed of by the HR department.

The School will comply with its data protection obligations in respect of the processing of criminal records information. More information on this is included in the Recruitment Privacy Notice and the Data Protection Policy.

INDUCTION AND PROBATION

1. All new employees will receive induction training that will include the School's safeguarding policies and guidance on safe working practices.
2. Regular meetings will be held in the probation period between the new employee and the appropriate manager(s).

APPENDIX

POLICY ON THE RECRUITMENT OF EX-OFFENDERS

The School will not unfairly discriminate against any candidate for employment on the basis of conviction or other details revealed. The School makes appointment decisions on the basis of merit and ability. If an individual has a criminal record this will not automatically bar him/her from employment within the School. Instead, each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if they have been appointed, and a possible referral to the police and/or DBS.

Under the relevant legislation, it is unlawful for the School to employ anyone who is included on the lists maintained by the DBS of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the School to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence. It is also unlawful for the School to knowingly employ someone who works in the relevant settings and is disqualified from providing childcare under the statutory guidance "Disqualification under the Childcare Act 2006".

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the School. The School will report the matter to the Police and/or the DBS if:

- the School receives an application from a disqualified person;
- is provided with false information in, or in support of, an applicant's application; or
- the School has serious concerns about an applicant's suitability to work with children.

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- whether the conviction or caution is 'protected' as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2020 (if yes, it will not be taken into account);
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters;
- in the case of disqualification from providing childcare, whether the applicant has or is able to obtain an Ofsted waiver from disqualification; and
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any the following offences: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence, serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving.
