

For January 2027

CANDIDATE INFORMATION

Head of Computing (Part-Time)

Westbrook Hay

Our mission is to develop academically successful, community minded, self-confident and well rounded individuals who are well prepared for their futures.

Westbrook Hay is a thriving co-educational independent day school. Pupils enjoy a broad curriculum, achieve excellent results and have the all-important confidence to succeed.

The school roll is currently at a record high of around 370 pupils and in September 2023 announced that it is growing its Senior Section of the school from Year 8 to Year 11 and will begin offering GCSEs. From September 2026 we will welcome our first Year 10 cohort.

Our ethos is to be a welcoming, inclusive community that provides the best for, and expects the best from us all.

The school is well known locally for its warm and welcoming atmosphere. This is something we cherish and, even though we are potentially going to grow slightly in size, we do not want to lose this ethos. We believe our ethos separates us from larger competitor schools in our locality. This ethos is generated by the staff and their relationships with the pupils and parents. It has been regularly described as 'friendly and professional'.

We are seeking a new Head of Computing who can assist us with achieving our mission and thrive under this ethos, helping to lead the Computing provision and first GCSE cohort through this exciting phase of development.

Our History

Westbrook Hay School, founded in 1892 by Augustus Orlebar in Bedford, has evolved over 130 years, relocating and renaming itself multiple times. Originally a small establishment with just two pupils, it grew under successive leaderships and moved to its current location at Westbrook Hay in 1963. It transitioned from a boarding school for boys to accepting day pupils and girls in the late 1970s.

Located between Berkhamsted and Hemel Hempstead in Hertfordshire, the school's beautiful location boasts 26 acres of parkland overlooking the Bourne Valley. For example, the school has a purpose-built Pre-Prep and has very recently upgraded many of its specialist facilities. The Performing Arts Centre, added in 2016, offers

impressive provision for dance, drama and music. Our new specialist facilities include two Science Laboratories with a prep room, a refurbished and modernised DT Workshop, a new ICT suite, an extended and upgraded Art Centre, six new changing rooms, and a state-of-the-art Food Technology room. These are in addition to our Sports Hall, Swimming Pool and modern, spacious classrooms.

Under various heads the school has expanded and modernised, while continuing to prepare students for prestigious senior schools such as Bedford, Berkhamsted, Haileybury, Millfield, Stowe and St Albans. The school now moves into a new phase of development becoming an all-through school to 16.

Long Term School Strategy

In September 2023, Westbrook Hay announced that it is growing its Senior Section from Year 8 to Year 11 to begin offering GCSEs.

The decision was made in reaction to the changing local market, from a position of financial strength and due to demand from current and prospective parents.

This process has started extremely well with record numbers of pupils joining into Year 7 and new starters into Year 8. Our First Year 9 cohort are now in place and thriving.

School Structure

The school is growing to form three main sections

Pre-Prep: for pupils from Nursery to Year 2, this section of the school is two form entry and consists of approximately 140 boys and girls.

Prep: for pupils from Year 3 to Year 6, this section of the school is two or three form entry and consists of approximately 190 boys and girls.

Seniors: currently just Years 7, 8 and 9 this section of the school consists of approximately 85 boys and girls. Under our long term strategy we will add Years 10 and 11, with the aim of having around 40 pupils in each year group.

Overview of the Role

We are seeking a candidate who has the dedication, enthusiasm and passion to lead the Computing Department into the next phase of development. This is a part-time role with the successful candidate working 0.8 of a full time contract and this can be discussed further at interview.

Computing Department

The Head of Computing will lead the Computing Department across all sections of the school. Computing is an integral part of Westbrook Hay's curriculum, equipping pupils with the tools they need to thrive in an increasingly digital world. The ideal candidate will be forward-thinking with a passion for technology and a deep understanding of modern computing. The successful candidate will initially teach pupils across Pre-Prep, Prep and Seniors. The exact commitment will be based on timetable demands each year and as the school develops towards offering GCSEs, the Head of Computing will primarily teach in the upper Prep and Senior departments. They will also be responsible for supporting teachers delivering Computing in other sections of the school.

In Year 1 and Year 2 Computing is taught on a carousel with Design Technology. From Year 3 it forms a core part of the curriculum and with pupils having one computing lesson per week. From Year 5 pupils are required to bring chromebooks to school, which are used both in Computing lessons and across the wider curriculum. Computer Science will be an optional subject at GCSE with pupils in Year 9 making their options choices during the spring term of each academic year.

Academic Leadership Team

The Head of Computing will be a member of the wider Academic Leadership Team (ALT). This body is in charge of monitoring academic life at Westbrook Hay. This includes the progress of pupils across the school, reviewing the curriculum, undertaking learning walks, leading initiatives in staff teaching and learning and setting the assessment and reporting schedules. Led by the Deputy Head Academic, this team includes the Head of Learning Support, Senior Academic Lead, Prep Academic Lead and Pre-Prep Academic Lead. The Head of Computing will be an important part of the wider ALT and will be expected to attend around three meetings each term.

Job Description

The purpose of this job description is to outline the main responsibilities of the Head of Computing. It is not restrictive and includes any other reasonable requests that may arise.

The safety and well-being of the children in School is paramount at all times. The Head of Computing is responsible for promoting and safeguarding the welfare of children for whom they are responsible, or with whom they come into contact. The Head of Computing will adhere to and ensure compliance with the School's Child Protection Policy at all times. If in the course of carrying out their duties, the Head of Computing becomes aware of any actual or potential risks to the safety or welfare of children in the School, it is their responsibility to report any concerns to the school's Designated Senior Lead for Child Protection or the Head.

The Head of Computing will be line-managed by the Deputy Head Academic.
